

RIVIÈRA MAISON

THE JAGGER

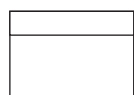

With the modular Jagger sofa, you can literally go in any direction. Thanks to the wide choice of different elements, this sofa always fits. The Jagger is recognisable by its sturdy appearance and coarse piping. The sofa elements consist of one piece, have invisible legs and are made of beech wood. This makes them lightweight and easy to move around. You can combine them endlessly and create different configurations, so The Jagger always fits your needs perfectly.

The Jagger is available in all fabrics and colours from the University Square collection, with the exception of Faux Fur, Poodle Weave and Washed Cotton. The base is made of beech wood.
