

RIVIÈRA MAISON

# THE MARK II

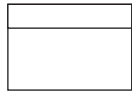

The modular sofa The Mark can be fully configured to create the sofa of your dreams. With the six elements, you can make the sofa as small or as large as you like. A real highlight is the backrest with a capitonné look, which can be adjusted from an upright sitting position to a relaxed lounging position, creating multiple seating options. Whether you want to lounge, work, relax or enjoy a movie night, with The Mark you'll always be sitting comfortably.

The Brandon is available in all fabrics and colours from the University Square collection, with the exception of Faux Fur, Poodle Weave and Washed Cotton. The base and legs are made of beech wood.
