BROMPTON CROSS

The Brompton Cross is a spacious, inviting corner sofa that excels in comfort and appearance. Whether you want to stretch out and relax after a busy day, settle down with the whole family or enjoy an evening with family or friends, this sofa offers plenty of space. A big plus is the loose, removable cover. This makes it easy to have the upholstery cleaned at the dry cleaners, which is ideal for families or anyone who likes convenience. A robust, stylish and practical choice for any interior.

The Brompton Cross is available in all fabrics and colours from the University Square collection, except Faux Fur and Poodle Weave. The base and legs are made of beech wood.
